If only acting in the rank, they shall rank and command after Officers holding the corresponding confirmed rank and in relation to each other shall rank and command according to the order in which their names stand in the Official List of the Officers of the Royal Navy unless the Admiralty may otherwise direct.

6. All steps in rank given on or after retirement, while conferring the title, uniform and other advantages of the higher rank will not give the right of command amongst Naval Officers, which is always to be governed by the date of commission in the rank held on the active list at the date of retirement.

FROM ADMIRALTY MONTHLY ORDERS.

191. **RETIRED OFFICERS REQUIRED TO SERVE.**—Whenever His Majesty may be pleased, by his Order in Council, to call officers from the Reserved, Retired, Pensioned or Emergency Lists into active service in case of war or emergency, such officers shall be entitled to the pay and emoluments of their corresponding ranks on the Active List, together with a bonus of twenty-five per cent. for every pound of the full pay earned by them, exclusive of allowances.

(2) Subject to the following provisions as to the right of command, steps in rank given on or after retirement will confer the right to the title, uniform, and other advantages of the higher rank.

In cases where a step or steps have been granted automatically by virtue of, and in strict seniority, the Officers shall take command according to their seniority on the Retired List, subject to the condition that Officers retired from the rank of Captain shall in no case take command over an Officer on the Active List of Flag Officers or over one who has retired from the Active List of Flag Officers.

In other cases, steps in rank given on or after retirement shall not give the right of command amongst Naval Officers, which shall be governed by their seniority in the rank last held on the Active List at the date of retirement.

When, however, an Officer on the Retired List is granted higher acting rank, he is to take command according to such acting rank in the same manner as though he were on the Active List.

When a retired Officer holding higher acting rank is promoted to the substantive rank on the Retired List, he is to continue to take command in the acting rank granted to him before such substantive promotion, unless directions to the contrary are received from the Admiralty.
