---

The Seniority Lists of Officers on the Retired Lists will appear annually in the July issue of the Navy List.

---

*The degrees shown after Officers' names in the Navy List are not necessarily a complete list of the degrees held, but generally speaking are confined to degrees of an honorary nature conferred specially upon an Officer and degrees which are so related to the professional duties of an Officer as to give some indication of his professional qualifications.*

---

*The CANADIAN NAVY LIST is compiled and published every six months by order of the Minister for the convenience of the Naval Service, but, as errors may occasionally occur, the right is reserved to determine the status of any Officer according to the actual circumstances of the case, independently of any entry in the Navy List.*

## List of Prizes for which R.C.N. Officers Eligible

(Admiralty C.W. 18734/46—N.S. 2280-26 Vol. 1)

### THE GILBERT BLANE MEDAL

In 1830 the late Sir Gilbert Blane, Baronet, formerly a member of the Board for sick and wounded seamen, established, with the sanction of the Board of Admiralty, a fund for the encouragement of Naval Medical Science, which is vested in the Corporation of the Royal College of Surgeons of London, in trust.

This Fund is employed for the purpose of conferring a Gold Medal annually on the Medical Officer of the Royal Navy who, to a degree which is considered worthy of recognition, has brought about an advance in any branch of Medical Science in its application to Naval Service, or has contributed to an improvement in any matter affecting the health or living conditions of Naval personnel.

Consideration is given to achievement in research, in original articles and reports, criticisms of a constructive character of existing conditions and information which is brought to notice of meritorious work performed, or suggestions made, by Medical Officers within the scope of the regulations governing the award of the Medal as stated above.

The Medal is awarded annually unless no officer is considered to have qualified, in which event the Medal is held over until the following year or any subsequent year, when, if considered justifiable to do so, it is given as an additional award.

Medical Officers of all ranks are eligible for the award, and an officer is not restricted to receiving the Medal on one occasion only during his career.

If the unawarded Medals exceed four, their value is given to the Supplemental Fund for the children of Medical Officers.

### THE JOHN CROCKER MEMORIAL PRIZE FUND

The John Crocker Memorial Prize Fund, founded in 1936, was established from subscriptions by certain serving and retired Engineer Officers and Members of the Royal Corps of Naval Constructors, pupils of the late Mr. John Crocker during their period of training at the Royal Naval Engineering College, Keyham, as a permanent token of their regard for him.

The sum of approximately £287 is invested and held in trust by the United Services Trustee as Custodian Trustee, the Engineer-in-Chief of the Fleet and the Engineer Captain in Command, Royal Naval Engineering College, acting as Joint Managing Trustees. The interest is employed to provide a prize to be awarded annually to the Sub-Lieutenant undergoing training at the Royal Naval Engineering College producing the best set of finished drawings, with rough sketches, of an approved machinery part.

The Joint Managing Trustees reserve the right to withhold the prize should, in their opinion, no drawing submitted attain a sufficiently high standard of merit.

### THE COMMANDER EGERTON PRIZE

This Prize was founded in 1901 in memory of the late Commander Frederick Greville Egerton, R.N., who was mortally wounded on the 2nd November, 1899, in the defence of Ladysmith, whilst acting in the execution of his duty.

The dividends arising from a sum of £500 given by the relatives and invested in Government securities will be employed in providing the prize to be called "The Commander Egerton Prize", which will be awarded annually at the discretion of the Admiralty to the officer who, when qualifying for Gunnery Lieutenant, passes the best examination in practical Gunnery.

### THE GOODENOUGH MEDAL AND FUND

The Goodenough Fund—founded in memory of the late Captain James G. Goodenough, C.B., C.M.G., who died on 20th August, 1875, whilst serving as Commodore on the Australian Station, from wounds inflicted with poisoned arrows in an unprovoked attack by natives of Santa Cruz—consists of a sum of about £800. The interest of this sum is employed annually in providing a Gold Medal, called the Goodenough Medal, which is conferred on the Sub-Lieutenant who, when qualifying

for the rank of Lieutenant, passes the best examination of his year in Gunnery, provided he has also taken a first-class certificate in Seamanship. Any balance that remains after payment of expenses is also handed over to him.

### JACKSON-EVERETT PRIZE

In 1927, Signal Officers, past and present, on the Active List, subscribed a sum of approximately £280 to institute a prize for officers qualifying as Signal Specialists, to be known as the "Jackson-Everett Prize".

2. The Prize is awarded annually to the officer of the Royal Navy, or of a Dominion Navy, who passes the best final examinations (V/S and W/T) in the qualifying course for Signal Officers. The Prize may not be awarded in any year in which the standard of results obtained by the officer passing the best examinations is not considered to be of sufficient merit to warrant the award.

3. The Prize consists of a sum of money (the income available) for the purchase of books and/or instruments.

### THE HENRY LEIGH CARSLAKE PRIZE

This Prize was founded in 1927 by his parents, in memory of Lieutenant Henry Leigh Carslake, R.N., one of the pioneer Naval Observers of the Fleet Air Arm, who was killed in an aeroplane crash at sea off Malta, on the 21st October, 1926, whilst serving in H.M.S. *Eagle*.

The capital value of the Fund is approximately 590 guineas invested in Government securities.

The Prize is awarded annually to the Naval Officer or Warrant Officer who has specialized as Pilot or Observer, and who, in the opinion of the Admiralty, submits the best essay on some subject specially set by the Admiralty in each year and dealing with the work and development of the Fleet Air Arm. It will not be awarded more than once to the same officer, and may be withheld if no essay of sufficient merit is submitted. Officers of the Dominion and Royal Indian and Royal Pakistan Navies are eligible to receive this prize.

The Prize consists of a silver medal, together with a sum of money (the balance of income available) for the purchase of books and instruments.

Essays must reach the Admiralty by the 1st February in each year, and should be submitted to Naval Headquarters prior to 15th December in each year.

The authorship of the essays must be strictly anonymous. Each competitor must adopt a motto and enclose with his essay a sealed envelope with his motto typewritten on the outside and his name and address inside. Essays are to be treated as confidential.

### RONALD MEGAW MEMORIAL PRIZE

This Prize was founded in 1906 in memory of Midshipman Ronald Megaw, who was killed accidentally on the 11th November, 1904, while at General Quarters on board H.M.S. *Montagu*.

The interest on a sum of £1,000 given by his father, and held upon trust by the Admiralty, is employed in providing a Prize, consisting of a Presentation Sword and its accoutrements, and selected books, or instruments, to be awarded annually to the Sub-Lieutenant who obtains the highest place during the preceding year in the various examinations prescribed for officer qualifying for the rank of Lieutenant.

### THE OGILVY MEDAL

This Medal was instituted in 1912 in Memory of the late Captain Frederick Charles Ashley Ogilvy, R.N., who died on the 18th December, 1909, from typhoid fever, while in command of H.M.S. *Natal*.

The dividends arising from a sum of about £240 given by officers of His Majesty's Navy and by certain friends and relatives are employed in providing a medal, to be called "The Ogilvy Medal", which is awarded annually, at the discretion of the Admiralty, to the officer who takes the first place in the examinations to qualify for Torpedo Lieutenant. Any balance that remains after payment of expenses may be handed over to the winner of the Medal at the discretion of the Admiralty.

## SHADWELL TESTIMONIAL PRIZE

The Shadwell Testimonial Prize, founded in 1888 in memory of the late Admiral Sir Charles F. A. Shadwell, K.C.B., who died 1st March, 1886, will be known as the "Shadwell Testimonial", and will consist of a Pocket Sextant, or other instrument (as funds will admit) of use in Navigation or Marine Surveying.

It will be bestowed annually on the officer of a rank not higher than Lieutenant-Commander, and who has never been classed as an Assistant Surveyor who has sent in through his Captain the most creditable plan of an anchorage or other marine survey, accompanied with sailing directions recently executed by himself.

The award will be made on the plans received at the Admiralty during each calendar year, by a Committee consisting of the Hydrographer, the Assistant Hydrographer, and the Surveying Officer in charge of the Chart Branch at the Admiralty, and they will be empowered to make no award should they judge the plans received during the year not to be sufficiently meritorious.

In case of co-operation in the production of a plan, a junior officer, who has assisted materially in its construction, may participate in the reward, should the funds be sufficient.

The first award was made on the plans received during 1899.

## THE BOYLE SOMERVILLE MEMORIAL PRIZE

A fund has been established in memory of the late Rear-Admiral Boyle Somerville, for the purpose of awarding a prize which will be known as the Boyle Somerville Memorial Prize, and will have as its object the encouragement of research work in connection with the science of meteorology.

The prize may be awarded annually to an officer in the Royal Navy or one of the Dominion Navies, whose work during the period under review is adjudged to be of particular merit in connection with the development of meteorology and its application to naval operations. Special consideration will be given to original papers indicating a voluntary effort additional to the author's normal duties.

No prize will be awarded in any year in which no work of sufficient merit is brought to the notice of the Admiralty.

The amount of the prize will not exceed £10 in any one year and shall be expended in the purchase of books and/or instruments and/or other articles as approved by the Admiralty.

The prize shall not be awarded more than once to the same officer.

The award will be made on the material received at the Admiralty in each calendar year, by a committee consisting of the Hydrographer, the Director of Naval Air Warfare, and the Director of the Naval Meteorological Service.

In case of co-operation, an officer who has assisted in the production of material may participate in the award, should the funds be sufficient.
