N.S. V-81451 PERS. (N) 17

19th April, 1945.

Dear Mr. Stanley:

It is with deepest regret that I must confirm the telegram of the 18th of April, 1945, from the Minister of National Defence for Naval Services, informing you that your son, James Clifford Stanley, Ordinary Seaman, Official Number V-81451, Royal Canadian Naval Volunteer Reserve, is missing at sea due to enemy action.

From information available, little hope can be held for his survival and there is no possibility of his having been taken prisoner. For security reasons, this is the only information which can be released at this time.

Should no information be received to the contrary, an official presumption of his death will be made at a later date, when you will be informed. Please be assured, however, that as soon as any further news is received or more details can be released, you will be informed immediately.

It is requested that you will regard the name of the ship in which Ordinary Seaman Stanley was serving, together with the fact that she has been in contact with the enemy as secret until an official announcement is made.

Please allow me to express the sincere sympathy of the Department with you in your anxiety.

Yours sincerely

SECRETARY, NAVAL BOARD.

Mr. William E. Stanley,
214 MacDonell Ave.,
TORONTO, Ontario.

N.S. V-81451, PERS(N) 25

7 May, 1945.

Dear Mr. Stanley:

Further to my letter of the 19th of April, 1945, I regret to inform you that in view of the length of time which has elapsed since your son, James Clifford Stanley, Ordinary Seaman, Official Number V-81451, Royal Canadian Naval Volunteer Reserve, was reported missing from H.M.C.S. "ESQUIMALT", the ship in which he was serving, the fact that all circumstances surrounding his loss have been carefully reviewed, and as no news has since been received to the contrary, the Canadian Naval Authorities have now presumed his death to have occurred on the 16th of April, 1945.

H.M.C.S. "ESQUIMALT", a Royal Canadian Navy minesweeper, was torpedoed and sunk by an enemy submarine while on operational duty off the east coast of Canada. One Officer and fifteen ratings were killed at the time of the disaster, four Officers and twenty four ratings are missing and now presumed dead, while two Officers and twenty four ratings survived the sinking.

The above information is now being released for publication.

The following is an excerpt from the report of a Canadian Naval Press Relations Officer who was in contact with survivors of the ill-fated ship.

"Struck by a torpedo on the starboard side, H.M.C.S. "ESQUIMALT" listed heavily, and sank stern first in a few minutes. The ship's list had the seaboard under water and flooded before it could be released from the davits, but carley floats were freed quickly before the ship went down, and those who escaped from the ship gathered on four of these floats.

"It was from the four floats that a sister Bangor minesweeper, H.M.C.S. "SARNIA", picked up the survivors nearly six hours later. Many who had reached the floats safely had died of exposure on the floats, from the soaking in the cold sea water, and sixteen bodies were taken aboard the rescue craft.

"In spite of the rapidity with which the ship heeled over and slid under the surface there was no panic or confusion", a surviving Officer reported. Everyone he had seen had been calmly and quickly abandoning ship.

"Many men had died in the floats, and their bodies were brought aboard H.M.C.S. "SARNIA" with the survivors.

"Artificial respiration was given to some of the unconscious men for hours after they were picked up, but only two men were revived."

Please allow me to express sincere sympathy with you in your bereavement on behalf of the Minister of National Defence for Naval Services, the Chief of the Naval Staff, and the Officers and men of the Royal Canadian Navy, the high traditions of which your son has helped to maintain.

Yours sincerely,

LE
