Dear Mrs. Trudel:

It is with deepest regret that I must confirm the telegram of the 18th of April, 1945, from the Minister of National Defence for Naval Services, informing you that your son, Joseph Mailly Rodrigue Trudel, Stoker First Class(M), Official Number V-57947, Royal Canadian Naval Volunteer Reserve, is missing at sea due to enemy action.

From information available, little hope can be held for his survival and there is no possibility of his having been taken prisoner. For security reasons, this is the only information which can be released at this time.

Should no information be received to the contrary, an official presumption of his death will be made at a later date, when you will be informed. Please be assured, however, that as soon as any further news is received or more details can be released, you will be informed immediately.

It is requested that you will regard the name of the ship in which Stoker (M) Trudel was serving, together with the fact that she has been in contact with the enemy, as secret until an official announcement is made.

Please allow me to express the sincere sympathy of the Department with you in your anxiety.

Yours sincerely,
