This rating was interviewed in connection with his application to transfer to Ordnance Artificer for optical duties. He has received a good basic education and seems alert and of high average intelligence. He has been in the Navy for the past 2½ years, has received communications training for V.S. and has served on the "MALASPINA" since January, 1942. In civilian life he received a good deal of experience in grinding optical glass and if there are vacancies in the Optical Branch, recommended that he be given a trade test and considered for transfer to this branch.

7 March, 1944.
