29th November, 1944.

Dear Mrs. Paithowski:

It is with deepest regret that I must confirm the telegram of the 29th November, 1944, from the Minister of National Defence for Naval Services, informing you that your husband, Michael Paithowski, Stoker Petty Officer, Official Number V-17380, Royal Canadian Naval Volunteer Reserve, is missing at sea.

The only information that can be given at this time is that your husband is missing at sea when the ship in which he was serving was lost. Please be assured, however, that as soon as further particulars can be released, you will be informed.

It is regretted that slight hope is held for your husband's survival. When it is considered, beyond all reasonable doubt, that no further hope exists and should no information be received to the contrary, an official presumption of death will be made by the Canadian Naval Authorities.

It is requested that, for security reasons, you regard the name of the ship in which your husband was serving, as confidential until such time as an official announcement is made.

Please accept the sincere sympathy of the Department in your anxiety.

Yours sincerely,

SECRETARY, NAVAL BOARD.

Mrs. Victoria Paithowski,

Dear Mrs. Paithowski:

Further to my letter of the 29th of November, 1944, details of the disaster in which your husband has been reported missing are now being released.

H.M.C.S. "SHAWINIGAN", a Royal Canadian Navy corvette, was lost while on operational duty at sea. Seven officers, including her Captain, Lieutenant W. J. Jones, R.C.N.R., and seventy-eight ratings are missing. The bodies of five other ratings have been recovered and identified. There are no known survivors.

It is requested that you will regard this information as confidential until an official announcement is made.

May I again express sincere sympathy with you in your anxiety.

Yours sincerely,

SECRETARY, NAVAL BOARD.

, 28 August, 1945.

Dear Mrs. Paithowski:

Further to my letter of the 15th of February, 1945, the Department is now able to release additional information regarding the loss of your husband's ship and I am accordingly passing on the following particulars which will, no doubt, be of interest to you.

H.M.C.S. "SHAWINIGAN" sailed from Sydney, N.S., on the 24th of November, 1944, to escort a merchant ship to Port Aux Basques, Newfoundland, and arrived off Port Aux Basques that night. In accordance with orders she was then to carry out a patrol in the area for the duration of the night, after which she was to meet the same merchant ship the next morning and return with her to Sydney.

The merchant ship arrived in Sydney unescorted on the night of the 25th of November and after it was ascertained that "Shawinigan" had not appeared at the designated rendezvous to provide escort as instructed, searches were instituted and "Shawinigan" was discovered to be missing.

It was the opinion of the Department at the time that the ship had been torpedoed by an enemy submarine during the night of the 24th/25th of November, 1944, as submarines were known to be operating in that area; and this has since been confirmed from German evidence. Although no survivors were found, a few bodies were recovered by later searches, due to tidal movements, some distance from the area in which "Shawinigan" was known to be operating. As a result, the position of the sinking can not be exactly ascertained, although from German evidence and the Department's computation, it is estimated to be in the vicinity of the three mile limit off Channel Head, near Port Aux Basques, Newfoundland.

Yours sincerely,

Despatched by
Sec. N. B.
